# Questions for the discussion

Q1

- What is the role of each stakeholder within the Regional Innovation System, how can they effectively contribute to RIS3, and how do we raise awareness and enhance capacities?

Q2

- How to boost a cooperative culture in research institutions and universities with business environment during elaboration and implementation of RIS3?

Q3

- Linkages with national RIS3 Governance System. How to build a multi-level governance system?

Q4

- How to generate transparent and robust RIS3 mechanisms of selection?

Q5

- How to sustain a RIS3 governance system in the longer term (resources, motivation, political changes) ?

European  
Commission
